Goal Deficit Make up Report

The Department of Business Development (DBD) is responsible for monitoring awarded contracts for compliance with the following programs: Community Small Business Enterprise (CSBE), §10-33.02 Code of Miami-Dade County; Community Business Enterprise (CBE), §2-10.4 Code of Miami-Dade County; and, the Small Business Enterprise (SBE), §2-221 through §2-228 Code of Miami-Dade County. Pursuant to the referenced codes, contractors that fail to achieve the CSBE, CBE or SBE measures on contracts must make up any deficits in these goals on future County work. The make-up amount is equal to double the dollar value of the deficiency on the prior contract. Further, the aforementioned programs require make ups be made a condition of any new award.

Attached, please find a summary of those firms that have pending make ups. Please contact DBD prior to awarding a contract to any of these firms so that we can ensure that make-up requirements are met prior to award. Should you have any questions, please contact Alice Hidalgo-Gato, Acting Division Director, Contract Review and Compliance Division, at (305) 375-3153.

George M. Burgess, County Manager
 Assistant County Managers
